Time: 11am-2pm

Churches Working Together: A Food Justice Event

The purpose of this event is to bring Pastors and church leaders together to engage in conversation about food justice. We will discuss food insecurity and food deserts within Winston-Salem as well as the connection between food and faith. We hope faith-based organizations will work together, explore options and implement a plan of action.

Let's work together. Brunch will be provided.

Wake Forest School of Divinity Lower Auditorium in Wingate Hall
1834 Wake Forest Rd, Winston-Salem NC 27109
