

Send a Smile

Transitions LifeCare wants to reach out to those in our community who are socially isolated by COVID-19 to let them know we are thinking of them and are sending a smile to brighten their day.

We are looking for support from your children, friends, and family members to **create a card, letter, drawing, painting, or poem with an encouraging message of love and support to put a smile on someone's face.** Mail items to:

Transitions LifeCare
Attn: Marketing Department
250 Hospice Circle
Raleigh, NC 27607

We will distribute these gestures of love to our patients who are socially isolated during this difficult time. We hope these notes will bring some brightness to their day! If you have any questions, contact us at 919.828.0890.

Butterfly Smiles

Butterflies flutter.
Butterflies fly.
They put a sparkle
In your eye.

Watch a butterfly,
And in a short while
It will give you
A butterfly smile!
