

Job Description: Medicaid Expansion Project Coordinator

Organizations: Health Care for All NC (HCFANC) and the NC Council of Churches (NCCC)

Preferred Location: Triangle-based

Description: Working with HCFANC and the NCCC, the project coordinator will develop and deliver an educational program about Medicaid expansion for faith-based organizations across North Carolina. The project will focus on communities in Tier 1 (economically distressed) counties, where access to medical care is threatened by inadequate health insurance coverage. The project coordinator will also work with churches and other faith communities to pass HCFANC's "Faith-Based Medicaid Expansion Resolution" and share it with the state's elected leaders.

The successful applicant will need to present the health and economic benefits, and the possible costs, of Medicaid expansion to a lay audience, in the context of the Affordable Care Act. She or he will be able to explain complex public health information clearly while conveying the urgency of Medicaid Expansion as a social justice issue through a progressive faith lens.

Requirements: Bachelor's degree and public speaking experience are preferred as are excellent writing skills and proficiency with PowerPoint. Statewide travel and a valid NC driver's license are required. Travel expenses will be reimbursed.

This is a half-time position beginning January 1, 2016, and funded through June 30, 2016.

Salary Range: \$12,000-\$13,000.

How to apply: Submit resume and cover letter to jobs@ncchurches.org no later than November 16. Candidates to be interviewed will be contacted by November 23. Please note **Medicaid Expansion Project Coordinator** in the subject line.
