

Partners in
HEALTH
and
WHOLENESS

Being healthy. Being faithful.

Due to the damaging effects of Hurricane Florence in the summer of 2018, Partners in Health and Wholeness has compiled a list of disaster relief resources. We will continue updating these resources every couple of months to provide accurate and up to date information. With this in mind, please make sure to do your own research and call organizations as this is meant to guide you through the recovery process.
